CONGA

-----

(Enrique Garcia)

Chorus

-----

Come on shake your body baby do the conga  
I know can't control yourself any longer  
Come on shake your body baby do the conga  
I know can't control yourself any longer

Come on shake your body baby do the conga  
I know can't control yourself any longer  
Feel the rhythm of the music getting stronger  
Don't you fight it till you tried it do the conga beat

Everybody gather 'round now let your body feel the  
heat  
Don't you worry if you can't dance let the music  
move your feet.  
It's the rhythm of the island and like sugarcane so  
sweet  
If you want to do the conga you've got to listen to the  
beat.

Chorus

-----

Feel the fire of desire as you dance the night away  
'Cause tonight we're gonna party till we see the break  
of day.  
Better get yourself together and hold on to what you  
got  
Once the music hits your system there's no way  
you're gonna stop.
