Destiny  
Has once again suprised me  
Oh! Destiny  
Must want you here beside me  
Quietly  
Like the sunrise with its splendor  
Unexpectedly,  
With a passion strong yet tender

You draw me in  
Like the moon draws the tide  
Swept away by this love  
Taken in by your eyes

If I had to walk away from you  
I know that it would be no use  
Because you are so deep inside of me  
Can't deny  
I never want to be set free  
The more you give the more I need  
You can't change what it is meant to be  
No you can't change Destiny  
Destiny

Destiny  
Speaks with many voices  
So eventually  
We're obliged to make some choices  
Oh! Destiny  
Who I thought I owned completely  
Just to toy with me  
Made me fall in love so deeply

You fill my soul  
Like the stars fill the sky  
Brought to life  
This new world  
Where I'm held captive inside

If I had to walk away from you  
I know that it would be no use

Because you are so deep inside of me  
Can't deny  
I never want to be set free  
The more you give the more I need  
You can't change what it is meant to be  
No you can't change Destiny  
Destiny

If I had to walk away from you  
I know that it would be no use  
No you can't change Destiny  
Destiny  
Destiny  
Destiny
