DON'T WANNA LOSE YOU

(Gloria Estefan)

Sometimes it's hard to make things clear
Or know when to face the truth
And I know that the moment is here
I'll open my heart and show you inside
My love has no pride
I feel with you I've got nothing to hide
So open your eyes and see who I am
And not who you want for me to be
I am only myself, myself
I don't wanna lose you now
We're gonna get through somehow
I don't wanna lose you now or ever
'Cause baby I've finally found
The courage to stand my ground
But if you want me
I'll be around, forever
We all make mistakes, we all lose our way
But we stood the test of time and I hope
That's the way it will stay
It's all up to you, to tell me to go
'Cause it won't be me to walk away
When you're all that I know
And I know that
I don't wanna lose you now
We're gonna get through somehow
I don't wanna lose you now or ever
'Cause baby I've finally found
The courage to stand my ground
But if you want me
I'll be around, forever
