HEART YOUR NAME ON IT

(Diane Warren)

Hey there baby are you feelin down?
'Cause you've got nobody's arms to wrap your
arms around
Are you thinking what you're looking can't
be found
If a part-time heart is what you need
What you want now baby you won't get
from me
If it's part-time love you're looking for
Darling don't be knocking on my door
But if you need someone to stand there
beside you
If you want a love that's true

Chorus

I got a heart with your name on it, name on it
I got a love, I got a love, I got a love for you
I got a heart put your claim on it, claim on it
This heart will, this heart will beat for you if
you want it to
Wo-oooh

Love is waiting in these arms of mine
If you're looking for a love that's the
forever kind
Baby you don't have to look no more
Look... in my eyes
If you want somebody you can hold
I'll be the one who'll never let you go
If you want somebody who will stay
I'll be the one who'll never walk away
If you need someone who'll stand there
beside you
Nothing less is gonna do

Chorus
