ooooUooooHoooo...Mmmm...Mmm
Love sometimes
Can be like Destiny....
There's no way to say forever
May not realize your dreams
And love sometimes
Is like the blowin' wind
It can take us to wherever
Sending us on silent wings
But I have broken
All the rules of love...
I never dreamed that
I could come this far....
And now I'm lost in my emotions
You're becoming my devotion
There's nothing I can do
To stop this love for you...
I was not supposed to
Fall in love with you
I have someone else....
Someone else is loving you
And I was not supposed to
Let this love get through
(let love get through)
So let me say for real....
Heaven's what I feel
When I'm with you...
(this feeling is forever)
It is forever...
(you make me feel like heaven)
I feel like heaven
(my love is true when I'm with
you...ooh...ooh...you...ooo)
How could I have
Known that in your eyes
(in your eyes)
I would find the deepest answer
To the questions of my heart
And how could I have known
That by your side
(by your side)

Was the light to fill the darkness
And the shadows of my life
But I have broken
All the rules of love
I never dreamed that I
Could come this far
And now I'm lost in my emotion
You're becoming my devotion
There's nothing I can do
To stop this love for you...
I was not supposed to
Fall in love with you
I have someone else....
Someone else is loving you
And I was not supposed to
Let this love get through
(let love get through)
So let me say for real....
Heaven's what I feel....
When I'm with you....
(this feeling is forever)
..oooU..oooU...oooo
(you make me feel like heaven, my love is true, when
I'm with
you..ooo...ooo..Hoo..Hoo)
(Heaven....Heaven...)
Is what I feel
When Were together
(Heaven....Heaven...)
Just look in my eyes and
You'll see it's the truth.....
I was not supposed to
Fall in love with you
I have someone else....
And Someone else is loving you
And I was not supposed to
Let this love get through
(let love get through)
So let me say for real....
Heaven's what I feel
When I'm with you.....ooUoUoUooo
