NAYIB'S SONG (I AM HERE WITH YOU)

(Gloria Estefan)

Lately my son I've been confused.
Don't know what to tell you 'cause it's all such
bad news.

Lately my son I've been discouraged.
I look around and it fills me with worry.
What kind of world can I offer to you.
Where will it all lead, do we have a way to
make it through?

I've tried to figure it out, to have an answer
I can tell to you

But all I can see, all I can see.

Chorus

Is I am here with you, and you are here for me.
It's an ongoing process.

I will take care of you and you will take care
of me

If we're gonna make some progress.

Lately my son I feel ashamed.

For many things that have happened and are
happening again.

Really my son I thought we'd learn.

From what I see around me it's a very tough
world.

But all I can hope is that you take it as a
challenge.

To create something new that will take you
far and hope that you can manage.

Scatter some hope, 'cause it's not too late to
reapir the damage.

The only way it can be, so easy to see.

Chorus

Bridge

You gotta believe, never be afraid to dream.
But follow it through, 'cause it won't get done
unless it comes from you.

Gotta make it all work, for the ones that are
coming after you.
Though hard it may seem, gotta believe.
Chorus
