Some dreams live on in time forever
Those dreams you want with all your heart
And I'll do whatever it takes
Follow through with the promise I make
Put it all on the line
What I hoped for at last would be mine

If I could reach, higher
Just for one moment touch the sky
>From that one moment in my life
I'm gonna be stronger
Know that I've tried my very best
And put my spirit to the test
If I could reach

Some days are meant to be remembered
Those days we rise above the stars
So I'll go the distance this time
See it more the higher I climb
That the more I believe
All the more that this dream will be mine

If I could reach, higher
Just for one moment touch the sky
>From that one moment in my life
I'm gonna be stronger
Know that I've tried my very best
Put my spirit to the test
If I could reach

If I could reach, higher
Just for one moment touch the sky
>From that one moment in my life
I'm gonna be
I'm gonna be so much stronger, yes I am
I put my spirit to the test
If I could reach
If I could if I could if I could reach
I'd reach I'd reach I'd reach so much higher
