I do it like this, do it like that
Start lovin' baby, ain't no turnin' back
As you like it pretty baby, when I weld you in my arms
You'll be lyin' back baby, when you give in to my
charms

Well, I kiss you like this, kiss you like that
Start lovin' baby, ain't no turnin' back
As you like it pretty baby, when I hold you in my arms
You'll be in ecstasy honey, when I touch your lovin'
alarm
(Find me that lovin' alarm boys, go, go)

Start lovin' baby, ain't no turnin' back

(Yeah, I got the spot boy, go. Oooh yeah, bop, bop)

As you like it pretty baby
Oh baby, as you like it pretty baby
Oh baby, as you like it pretty baby
Oh baby, as you like it pretty baby
Oh baby, as you like it pretty baby
When I touch your lovin' alarm
