Yeah my baby, she's so fine  
She give my scrambled eggs with a glass of wine  
She give me breakfast in bed  
Yeah mama, breakfast in bed  
She give me juice and tea and a pat on the head  
Breakfast in bed

Now my baby, you'd like her too  
She give me the paper when I'm blue  
She give me breakfast in bed  
Yeah mama, breakfast in bed  
She give me toast at tea and a pat on the head  
Breakfast in bed

Yeah my baby, she's so fine  
I don't need no exit signs  
She give me breakfast in bed  
Yeah mama, breakfast in bed  
She give me toast for tea and a pat on the head  
Breakfast in bed

She's my baby, she's the most  
She always butters my toast  
She give me breakfast in bed  
Breakfast in bed  
I get my juice, toast and a pat on the head  
Breakfast in bed

Screen my eyes, it's too sunny  
She give me easy over with my yolks runny  
She give me breakfast in bed  
Oh, breakfast in bed  
I get my juice, toast and a pat on the head  
Breakfast in bed

Toast for tea and a pat on the head  
Breakfast in bed  
She give me toast for tea and a pat on the head  
Breakfast in bed  
Cha - cha - cha
