Mary Jane, Mary Jane
Please don't leave me, baby
I'll just find you again

I asked my uncle if
If I could go
Yes, yes, go out and take
Mary Jane to the picture show

But Uncle Bob sighed
He could not answer
He died one second before
In the arms of a go-go dancer

Mary Jane, Mary Jane
Please don't leave me, baby
I'll just find you again

I wanna roll you
Way down in the fields
Where you were born

I wanna roll you
When I'm ragged
And forlorn

I wanna roll you
Way down in the fields
Where you were born

I wanna roll you
When I'm ragged
And forlorn

You have no friend
You have no pet
If there's anything better than you
You know they haven't found it yet, no

Mary Jane, Mary Jane
Please don't leave me, baby
I'll just find you again, oh

Mary Jane, Mary Jane, Mary Jane
Please don't leave me, baby
I'll just find you again

Find you again, oh
Find you again, oh
Find you again, find you again
Find you again

Mary Jane, Mary Jane, yeah
Please don't leave me, baby
I'll just find you again
