We believe a man's no more than a snowflake in this  
life  
Well, we may be made of carbon stuff, but he speaks in  
unique lines  
Oh, the soldiers on the line  
Don't be no prisoner of time  
Don't be no prisoner, baby

Try as I said to spend our lives in no test of mettle  
In our world, a man's no more than a flower petal  
Oh, the soldiers on the line  
Don't be no prisoner of time  
Don't be no prisoner, baby  
Brothers and sisters, boys and girls all join hands  
Drop your bread crumbs and pop your fingers,  
And listen to the band  
Oh, the soldiers on the line,  
Don't be no prisoner of time  
Don't be no prisoner, baby
