Oh, it's you, I love the things you do  
To make me blue  
Oh, it's true, I love the things you do  
To make me blue  
To make me blue  
To make me blue

To make me blue  
Oh, to make me blue  
Oh, to make me blue  
Oh, to make me blue  
Oh, oh, yeah

Oh, it's me, you love to watch me speed  
Across the sea  
Oh, I'm free, I love the way  
It's all I need to be

To make me blue  
Oh, to make me blue  
Oh, to make me blue  
Oh, to make me blue  
Oh, oh, yeah

Oh, it's you, I love the things you do  
To make me blue  
Oh, it's true, I love the things you do  
To make me blue  
To make me blue  
To make me blue

To make me blue  
Oh, to make me blue  
Oh, to make me blue  
Oh, to make me blue  
Oh, oh, yeah
