Put on another face
They always take the place
Of all the things that you have become
(No)

Your instability is nothing new to me
It's always something that made you what you

(Are)
You're dead inside
(Dead)
You killed your pride
(Kill)
I won't be there
(Me)
And no one cares
(Please)
Your insecurity
(Just)
The failure that it breeds
(Kill)
And all your misery
(Me)
Is coming back to me

Save yourself the pain and go away
For the rest of my life
Bury you today I separate
For the rest of my life
(Life)

You give me countless light
And hope I step off light
You hit my only nerve
And that is all it took
Separation
(No)
Let it go, you let it go
(No)
Evolution
Throw it away, you throw it away
You tried

(Break)
I'm done with you
(Down)
Don't follow through
(Kill)
I won't be there
(Me)
'Cuz you don't care
(Please)
The way you're suffering
(Just)
It's all the same to me
(Kill)
Degradability
(Me)
You cut me up in time

Save yourself the pain and go away
For the rest of my life
Bury you today, I separate
For the rest of my life

Rest of my life
Rest of my life
Rest of my life
[Incomprehensible]

Your delusion, claim confusion
Easier to pass the blame on
All your hatred, seems so wasted
You're the one who's dead inside me

You're fuckin' dead to me
You're fuckin' dead to me
You're fuckin' dead to me
You're fuckin' dead to me

You're fuckin' dead to me
You're fuckin' dead to me
You're fuckin' dead to me
You're fuckin' dead

You're fuckin' dead to me
You're fuckin' dead to me
You're fuckin' dead to me
You're fuckin'
You're fuckin' dead
