"Mega Man"

Sometimes I like to run away
from the ugly truth to me
I cannot face my reality
cause I'll end up drinking
My whole life is fucked
I think I'm at the end
I do not have the strength
ever to defend myself
And I could never ever sleep
cause I'll end up drinking

Chorus:

Damn Mega Man you know ain't a friend of mine
Damn Mega Man you know that a bullet is right
Yes I do not think that can know
If will never let it go
I cannot say goodbye to it
sometimes it's so hard to quit

Sometimes I like to run away
from the ugly truth to me
Cuz if I face my reality
then I'll end up drinking

Chorus
