Well I feel that all this becomes this waste that we call  
life  
And it's real yet I hate all the things that I've become

Why the smiles become a waste of time  
I get this empty feeling that's only becoming my friend  
This is gone  
I'm home  
As only you can see  
I want to know why is this happening to me

Still you try but at times like this I can't believe your lies  
And I feel that the same is happening to you so

Why the smiles become a waste of time again  
I get this empty feeling that's only becoming my friend  
This is gone  
I'm home  
As only you can see  
I want to know why is this happening to me

All myself and it's still becoming  
All myself and it's still becoming  
All myself and it's still becoming  
All myself and it's still becoming

I fall asleep  
Inside my head  
Because frustrations all that's left  
I can't afford  
To work this out  
Because frustrations all I...

Still we try but at times like this they won't believe our  
lies  
And we know why all of this is happening

Why the smiles become a waste of time  
I get this empty feeling that's only becoming my friend  
This is gone  
I'm home  
As only you can see

I want to know why is this happening to me

All myself and it's still becoming  
All myself and it's still becoming  
All myself and it's still becoming  
All myself and it's still becoming
