I've reached this point
With fear my only fuel
I found my faith
With nothing, nothing to do

Run, from you
You're binding me in sin
You've got to

I drowned my left side
With lies I see as real
I push what doesn't move
I keep forgetting what is real

Run, from you
You're binding me in sin
You've got to

Run, I keep on running from you
Keep on fighting, keep on fighting me
Come on, keep on fighting me
Come on

Slipper
Whore, you fuckin' whore
Slipper
Whore, you fuckin' whore

Slipper
Whore, you fuckin' whore

This point
With fear my only fuel
You got it, you got it, you got it

Run, from you
You're binding me in sin
You've got to

Run, keep on running from you
Keep on fighting, keep on fighting me
Come on, keep on fighting me

Come on

Slipper

Whore, you fuckin' whore

Slipper

Whore, you fuckin' whore

Slipper

Whore, you fuckin' whore

Whore, fuckin' whore

Whore, you fuckin' whore

Whore, you fuckin' whore
