I look at you all  
See the love there that's sleeping  
While my guitar gently weeps

I look at the floor  
And I see it needs sweeping  
Still my guitar gently weeps

I don't know why  
Nobody told you  
How to unfold your love

I don't know how  
Someone controlled you  
They bought and sold you

I look at the world and I notice it's turning  
While my guitar gently weeps  
With every mistake we must surely be learning  
Still my guitar gently weeps

Look at you all  
So, look at you all  
Look at you all  
Look at you all  
Look, look at you all

I don't know how you were diverted  
You were perverted too  
I don't know how you were inverted  
No one alerted you

I look at you all  
See the love there that's sleeping  
While my guitar gently weeps

Look at you all  
Still my guitar gently weeps

Look, look at you all  
Look, look at you all  
Look at you all, look at you all

Still my guitar gently weeps
