I can see you safe and young and pure

underneath you

where no one else can see

calling your name

waiting for reply

it will not be

easy to deny

don't wanna be

lost in your failures

don't wanna be

laid down by you

don't wanna be

lost in your failures

don't wanna be

stuck inside your angry world

i can feel you

reaching for the door

moving slowly

crawling on the floor

finding your way

falling out of sight

keep it inside

taking it away

don't wanna be

lost in your failures

don't wanna be

laid down by you

don't wanna be

lost in your failures

don't wanna be

stuck inside your angry world

i can see you

safe and young and pure

underneath you

no one else can see

calling your name

waiting for reply

it will not be

easy to deny

don't wanna be

lost in your failures

don't wanna be

laid down by you

don't wanna be

lost in your failures

don't wanna be

stuck inside your angry world
