If you ever seen me i was probably going wild
Standing on this table yeah you know i .. down
Yeah i am going wild everybody is going wild
Catch me in the club
Ain't nobody going wild
I am going wild
I am going wild

Shut it down the boy just shut it down
When the square is mad at me
When my circle comes around
I got a thing for the winners
Ain't no losers over there
Where i am from .. do that over there
Where i am from we bought a bar
And you over there
Got my whole team studying
Got my whole team .. get wild everyday
Get money driving .. so we can get fast
For a while .. the boy just .. enough text
.. he just got money i tell him to just swag
If there is a party i'll be starting ...
I told them i am the shit
..

If you ever seen me i was probably going wild
Standing on this table yeah you know i .. down
Yeah i am going wild everybody is going wild
Catch me in the club
Ain't nobody going wild
I am going wild
I am going wild

I came to shout it down
This ain't drizzly up
Keep my record spinning
I got the music flow
How many girl should i pick
Mini mini many mo
.. oh yeah we are going wild ..
You are mnot alou

Keep the girl happy
I know how to make her smile
.. i am only 16 but i am going 20
..

If you ever seen me i was probably going wild
Standing on this table yeah you know i .. down
Yeah i am going wild everybody is going wild
Catch me in the club
Ain't nobody going wild
I am going wild
I am going wild

Wilding in the wild ...
All black cause i am fly wild ..
I held on my time but my body just i was back
They are hating with him but i don't aloud that with me
.. on the sofa i never smoked it
But i can stay loaded try to ... came to bartender a 100
for the ...
Schweppes on my nigger i am having a hell of a night
.. tell me what the heck was i am .
. the way she blew her body is like a cyclone
I am wild youngsters wanting in the club standing on a
sofa throwing money up

If you ever seen me i was probably going wild
Standing on this table yeah you know i .. down
Yeah i am going wild everybody is going wild
Catch me in the club
Ain't nobody going wild
I am going wild
I am going wild

Crime sized animal major .. never a white boy wasted
But i am Asian boy crazy i shouted down on ..
No special needs to go ...got a word you ain't heard of
it
Yeah i got the word .. no need i just pop it like no
respond
Tell them i am gonna be gone got the tricks ...
See me in the spot i'll be chilling where we all started
I am sorber but i am acting like ..
All the girls approach me like .. till i tell them i am
young
..

If you ever seen me i was probably going wild
Standing on this table yeah you know i .. down
Yeah i am going wild everybody is going wild
Catch me in the club

Ain't nobody going wild
I am going wild
I am going wild
