(Repeat)

(Verse 3)

But my paper stackin a lot

and all my ghetto gangsta

white tee laws gon hate

in the street game a lil fame

dems hoes gon chase ya

like crack did in the 80's

niggas might try me

so high I be

still in my white tee

rock jeans package green

yea hoes like me

haters try and bite me

some try just like me

became a rich nigga

and the Feds try to indite me

(in my white tee (yep))
