### "Gin"

I woke up late, put on my clothes  
Took the wedding car to the liquor store.  
I turned the G&F around  
But it got stuck in my head, stuck in my head.

Jack's Lounge was a-callin' my name,  
I had a beer or two or ten or nine.  
I can't rightly recall at all  
The score of the game.

I had a powerful thirst  
It was hard even to see  
Let alone chuckle at the honeymooners on TV.  
You were nowhere around  
So I broke down 'cause I thought you left me, baby.

But all this time you were drinking gin  
In the private suites of the Comfort Inn.  
When I finally recalled this valuable fact:  
You really tried to leave me for real.  
But I promise you, girl,  
If it happens again,  
I'll bring you back more gin.
