Past the point of no return
No backward glances
Our games of make-believe are at an end.

Past all thought of if or when
No use resisting
Abandon thought and let the dream descend

What raging FIRE shall flood the soul
What rich desire unlocks it's door
What sweet seduction lies before us?

Past the point of no return
The final threshold
What warm unspoken secrets
Will we learn
Beyond the point of no return?

CHRISTINE: You have brought me
To that moment when words run dry
To that moment when speech disappears
Into silence
Silence.

I have come here,
Hardly knowing the reason why
In my mind I've already imagined
Our bodies entwining
Defenseless and silent,
Now I am here with you
No second thoughts
I've decided
Decided.

Past the point of no return
No going back now
Our passion-play has now at last begun.

Past all thought of right or wrong
One final question
How long should we two wait before we're one?

When will the blood begin to race
The sleeping bud burst into bloom
When will the flames at last CONSUME us?

BOTH: Past the point of no return
The final threshold
The bridge is crossed
So stand and watch it burn
We've passed the point of no return.

PHANTOM:(soft and sort of saddened) Say you'll share
with me
One love, one lifetime
Lead me, save me from my solitude

Say you want me
With you here
Beside you
Anywhere you go
Let me go too
Christine that's all I ask of i½
(Christine tears the mask, showing his face to the
audience)

PHANTOM:(looks at her sadly, then pushes one lever
that causes the chandeleir to fall and the other lever
with foot and they fall through a trap door!)
