I'm nervous when I'm near you as if I am falling in  
In love with someone else  
And it doesn't really matter if she can't speak all that  
well  
If she won't talk I don't care

'Cuz I don't wanna break your heart  
Don't wanna let you go  
I'm in love so whenever we're apart  
But that don't mean I won't want more so

Give me a chance, I promise I will come back  
Honey, this is a bitch I just have to scratch  
All things considered, I'm not much of a sinner  
But something tells me that I am missing out

Something about looking at you makes me want to  
blink  
Like I'm scared of a man this big  
But old jokes are just that, old  
I guess, what should I expect?  
What trite line will you give me next?

But I don't wanna break your heart  
Don't wanna let you down  
I'm in love with you so hear me out  
All I want is to look around

I'm nervous when I'm near you  
Oh, I've such a mind for this  
'Cause it's a finite number of times  
Before I catch the drift

But I don't wanna break your heart  
Just wanna get you back  
I'm in love with you so hear me out  
How I just want to be your man

Give me a chance, I promise I will come back  
Honey, this is a bitch I just have to scratch  
All things considered, I'm not much of a sinner  
But something tells me that I am missing out
