[Joe Budden]

I'm bout to say some shit to you  
I might need you to answer back (Top)  
Bad enough that the mic give me feedback  
I ain't gotta come home and see that  
(Top) Let me talk to you for a minute

[Lil' Mo]

I wanna know..  
I, wanna know.. know, know know  
Know-ow-owoooooooooooo  
I believe I know  
You'll be my baby, baby

[Joe Budden] + (Lil' Mo)

Let me talk to 'em  
First off, all the questionin, I thought we was above that  
We got some time and act like you wish to jerk that  
C'mon don't tell me that we already endin  
And fuck I need to cheat on you for, I'm already winnin  
It's like (I wanna know) if I got a exit them tensions  
Callin her names, tryin to make her feel like less of a  
woman  
But nah, picture I shady, WON'T lie and say I DON'T lie  
Once or twice maybe, forever you my lady MY  
You gorgeous but, it's more than just your hips that talk  
It's {??}, but want more  
It's how we laugh, you know shall we not  
My better half slash your eyes the vibe we got, it's like  
(I wanna know) If I'm real in a deal  
And then, she wanna know if I feel how she feel  
And real when I'm dealin, please believe boo  
Won't deceive you - it's not just a want, I need you

[Chorus: Lil' Mo] + (Joe Budden)

I wanna know if you'll always be my baby  
(You my girl, my wiz, my life)  
I need to know he'll always be me baby  
(You my heart, my all, my wife)  
I wanna know if you'll always be my baby  
(You my girl, my wiz, my life)

(Bad enough that the mic give me feedback)  
(I ain't gotta come home and see that)

[Joe Budden] + (Lil' Mo)

It's like (I wanna know) if I'm at some other broad's  
Laughin in bed, she got it all mapped in her head  
Ma, I'm all about, you and me  
But you sloooooooooowly losin me when you keep accusin  
me  
I know why you be askin where I came from  
Nothin wrong with arguin but we havin the same ones  
Either you gon' ride out or you gon' spoil it  
Either you gon' take a shit or get up off of the toilet  
It's like (I wanna know) if I be lyin to her  
Or if I think these other birds finer than her, so  
-- So when your man's on the road, he don't see you  
I don't want the sex to be the only thing that keeps you  
I give you my all, just holla at me if you want more  
You tired of hearin 'bout me talkin 'bout a jump off  
-- You my girl, my wiz, my life  
Ma we can't go wrong ma, listen to the horns ma

[Chorus]

[Joe Budden] + (Lil' Mo)

It's like (I wanna know) if my career catches fire  
Out of all the woman in the world, why her?  
Hold up now you gettin mad at yourself  
Just take a look in the mirror, be proud of yourself  
How many times I gotta tell ya, boo you all that I got  
How many times I gotta tell ya, be secure in your spot  
I understand so I can't knock it, but I'm your man stop it  
Checkin my 2-way, and goin through my pants pockets  
It's no need, you my girl, my wiz, my life  
Look ma you - my heart, my all, my wife; and you  
pissed  
cause you know other chicks would LOVE to smash your  
man  
I tell 'em I'm aight, I take pride in that I'm your man  
(My friends keep tellin me you ain't shit)  
I done been through this before baby, same shit  
Long as we know what we got, we can carry on boo  
We can't go wrong ma, listen to the horns ma

[Chorus]

[Lil' Mo]

My girl, your wiz, your life  
Your heart, your soul, your wife  
I will be everything to you, oh baby  
I wanna know, if you'll always be my baby..
