Look at you,
You're standing tall without a worry in the world,
In my world.
Look at you
You're floating beautifully, above me, like a dream,
Like my dream.

And I hope you won't,
Just leave me here,
So I'll keep on,

Searching, searching,
Why do all these answers seem so wrong?
And it goes on and on and on and on and on,
Searching, if I had you, I would have written this song
to go,
On and on and on.

Look at you,
You're standing beautifully, without me, what a twist,
So am I.

And I hope you won't,
Just leave me here,
So I'll keep on,

Searching, searching,
Why do all these answers seem so wrong?
And it goes on and on and on and on and on,
Searching, if I had you, I would have written this song
to go,
On and on and on.

If I had you.

I guess I'll keep on,

Searching, searching,
Why do all these answers seem so wrong?
And it goes on and on and on and on and on,
Searching, if I had you, I would have written this song

to go,
On and on and on
