behti hawa sa tha woh (tha wohâ€¦)  
udti patang sa tha woh (tha wohâ€¦)  
kahan gaya usae dhoondo

hum ko to raahein thi chalati  
woh khud apni raah banata  
girta, sambhalta, masti mein chalta tha woh

hum ko kal ki fikr sataati  
woh bus aaj ka jashn manaata  
har lamhe ko khul ke jeeta tha woh

kahan se aaya tha woh (tha wohâ€¦)  
chhoo ke humare dil ko (tha wohâ€¦)  
kahan gaya usae dhoondo

sulagti dhoop mein chhaaon ke jaisa  
raegistaan mein gaaon ke jaisa  
mann ke ghav pe marham jaisa tha woh

hum sahme se rehte koovein mein  
woh nadiya mein gotae lagata  
ulti dhara cheer ke tairta tha woh

baadal awara tha woh  
yaar humara tha woh  
kahan gaya usae dhoondo

hum ko to raahein thi chalati  
(hum ko to raahein thi chalati)  
woh khud apni raah banata  
(woh khud apni raah banata)  
girta, sambhalta,  
(girta, sambhalta, )  
masti mein chalta tha woh  
(masti mein chalta tha woh)

hum ko kal ki fikr sataati  
(hum ko kal ki fikr sataati)  
woh bus aaj ka jashn manaata  
(woh bus aaj ka jashn manaata)  
har lamhe ko khul ke jeeta tha woh  
(har lamhe ko khul ke jeeta tha woh)  
  
kahan se aaya tha woh (tha wohâ€¦)  
chhoo ke humare dil ko (tha wohâ€¦)  
kahan gaya usae dhoondo
