U wanna know why I'm livin' a good life
That'z a good one Ima tell you why
I luv my life wanna do it right that'z all

Ya don't know where 2 go but chu will find
Ya own road so make sure ya waste no time
Git cha up if ya fall cuz u gotta shine
So don't be afraid

So have a good life
Have a good life
So have a good life
Have a good life

Wear a smile in every moment ya alive
And have fun take every chance 2 do it right
Don't give up cuz the strong ain't need 2 fight
So keep doin' ya thang

So have a good life
Have a good life
So have a good life
Have a good life

Love ya life even if u ain't got a lot
Be thankful 4 dem thangs that chu have got
Don't chu know don't be late or ya'll miss ya shot
So u shouldn't wait

So have a good life
Have a good life
So have a good life
Have a good life

U wanna know why I'm livin' a good life
That'z a good one Ima tell you why
I luv my life wanna do it right that'z all.
