Yeah yeah yeah

Here I am, this is me
There is no where else on Earth I'd rather be
Here I am, it's just me and you
Tonight we'll make our dreams come true

It's a new World, it's a new start
It's alive, with the beating of Young hearts
It's a new day, it's a new plan
I've be waiting for you, here I am

Yeah yeah yeah

Here I am

Here we are, we've just begun
And after all this time my time has come
Yeah, here we are, still going strong
Wright here in the place were we belong

Ooh!

It's a new World, it's a new start
It's alive, with the beating of Young hearts
It's a new day, it's a new plan
I've be waiting for you, here I am

Yeah here I am

Here I am

Yeah...

Yeah...

[Waiting for you, here I am]

Here I am, this is me
There is no where else on Earth I'd rather be
Here I am, just me and you
Tonight we'll make our dreams come true...

Ooh!
It's a new World, it's a new start
It's a live, it's a feeling of Young hearts
It's a new day, it's a new plan
I've be waiting for you,

Ooh!
It's a new World, it's a new start
It's alive, with the beating of Young hearts
It's a new day, it's a new plan
I've be waiting for you, ooh... here I am

Here I am

Ooh

Right next to you

An suddenly the World is all brand new

Here I am

Here I am

Oh, I'm gonna stay

Now There is nothing standing in our way

Ooh! Here I am

Here I am

This is me...
