"When I Touch You"

Often in my dreams
I see the strangest things
I see the mountains rise
I see them touch the sky's

But when I'm near to you
I feel the same way too
I feel the mountains rise
I feel them touch the sky's

I, I won't see you any more
I, I won't see you any
I will not see you any
More, more, more

And when I touch you
I feel the same way too
I feel the mountains rise
I feel them touch the sky's

Your love holds all these keys
Why can't I be free?
From thoughts of bitter rage
White lions in their cage

I, I won't see you any more
I, I won't see you any
I will not see you any
More, more, more

When I touch you
When I touch you
