Walking off the stage to the gates and off the page
I'd be shot out of breath, out of everything

Come back Oscar, don't stay at home.
Come back Oscar, to the microphone.

Speed freak, sexy beast, latin lover, crazy mother
where you been.
You with the wide mouth, white teeth, dark hair, dark
eyes and no scene
Smooth tounge, sun dipped, full lipped broken
brother where'd you go
There's a hole in my summer 'cause she went and stole
your show.

Come back Oscar, don't stay at home.
Come back Oscar, to the microphone.

Runaway from Pinochet, Santiago cabbie where you at.
We've been waiting Oscarito, mi compadre, when you
snapping back.
You put out Armando's fire turned around and left it on
the shelf.
Now the embers are all ashes, you've been burned by
something else.

Come back Oscar, don't stay at home.
Come back Oscar, to the microphone.
Come back Oscar, this is your home.

Walking off the stage to the gates and off the page
I'd be shot out of breath, out of everything
Out of everything you left
Everything you left
Out of everything you left
Everything you left

Come back Oscar, don't stay at home.
Come back Oscar, to the microphone.
Come back Oscar, don't stay at home.
Come back Oscar, to the microphone.

Come back Oscar, this is your home.
