the water is black the coast was clear  
now they're sweating dollars dripping fear  
what a way to end the fiscal year  
mopping up the dirty pool  
mopping up the dirty pool  
they've given us a new career  
it's the make work project of theyear  
oh dear god bless the volunteer  
mopping up the dirty pool  
mopping up the dirty pool  
your way can't stay  
your way cant stay won't stay can't stay  
mopping up the dirty pool  
this ship of steel is a leaky tin  
spilt milk tears run down your chin  
this crying shame's a fuckin' sin  
mopping up the dirty pool  
a rusty tanker's belly a fault somewhere it seems  
bled gallons to the ocean and poisoned the marine  
the shoreline's tarred and feathered  
and the seagulls look like crows  
the unofficial explanation  
"shit happens don't you know"  
your way can't stay  
your way cant stay won't stay  
can't stay won't stay  
mopping up the dirty pool  
your way is the wrong way  
your way can't stay won't stay can't stay  
mopping up the dirty  
mopping up the dirty  
mopping up the dirty pool
