You woke me up at 3 AM to tell me about the fire
You said she was more than a friend, you were
consumed by your desire

(chorus:)

And so it goes, this too shall pass away
It cuts so strange
The only thing that stays the same is change

Your love was here, but now it's gone, and your eyes no
longer want me
And now I can't hold back the dawn and the truth that
seems to haunt me

(chorus)

I'm not so sure where I have been, I don't know just
where I'm going
Hard as I hold it in my hand, I can't stop this wind from
blowing

And so it goes, this too shall pass away
It cuts so strange
Roll me away
It cuts so strange
The only thing that stays the same is change
