Silence I have sung my lungs out  
I have cracked myself for You.  
Silence just can't refrain from singing halleluja under  
my breath.  
Ventilating my emotions. At the top of my voice.

I'm screaming I'm kicking I'm trying to communicate.  
I'm screaming I'm kicking I'm trying to communicate.  
Do You even see me down here.  
Do You even hear me and my songs.  
Do You even see me down here.  
Do you even hear me and my songs .

My aim is no other then to praise You and serve You  
with a melody.  
Ventilating my emotions. At the top of my voice.

I'm screaming I'm kicking I'm trying to communicate.  
I'm screaming I'm kicking I'm trying to communicate.  
Do You even see me down here.  
Do you even hear me and my songs.  
Do You even see me down here.  
Do you even hear me and my songs.

My shame is bearing down upon me.  
Afraid of being a mockery to everybody.  
When You come back again someday would You even  
know me and my shame.  
Ventilating my emotions. At the top of my voice.

I'm screaming I'm kicking I'm trying to communicate.  
I'm screaming I'm kicking I'm trying to communicate.  
Hey hey hey hey hey hey hey.
