Now please allow me to
Introduce you to my boo
She has that natural beauty she don't need to rock no
jewels.
She wears a dress, accents and curves at best
Always keep her close to my heart wrapped up real
tight in the pocket on my left.

Hello hello, Little Miss Sunshine.
Wake up, wake up. You know you'll always be mine.

D-d-do you love me back?
I can see it but I need the facts.
Thought I had it wrapped up real tight but it seems as
though I'm losing my grasp.
No reason to head to
My girls the life of the party.
Other cats compare and buy m-m-m-my girl is gnarly
you got my girl you best be givin her back)

Hello hello, Little Miss Sunshine.
Wake up, wake up. you know you'll always be mine.
(can't you see I can't be anything with out my baby)

Hello hello, Little Miss Sunshine.
Wake up, wake up. you know you'll always be mine.
(can't you see I can't be anything with out my baby)

Cause I can never think of the words to say until I see
my girl today. maryjane maryjane [x3]
