Bor dilimda bahorday nozik tuyg'u, yonar bahtim mavzularimdan,  
Begona menga dard va qayg'u, tilagim ushalganday olam vaslida.

Naqadar bahtliman bor bo'lsa yorug' kun qalbim huzurida,  
Naqadar bahtliman erishsam borimga armonim yo'q dilda, bahtliman.

Tark etmasin meni go'zal ayyomim, ko'rdim ertgimni ro'yonda,  
Osmonda bepoyon hayolim, orzuim ushalganday olam vaslida.

Naqadar bahtliman bor bo'lsa yorug' kun qalbim huzurida,  
Naqadar bahtliman erishsam borimga armonim yo'q dilda, bahtliman
