Men negadir bilardim, topaman deb seni baribir.
Tushmi o'ngim, izlaganim, seni uchratdim yolg'izim.
Men seni ko'p izladim, sinovchi hayot yo'llarida.
Men taqdiring, men yuraging, bo'lsaydim sening hayolingâ€¦

Sen, sen, sen.

Faqat sen, sen.

Men izlagan muhabbat,
Qalbidagi shirin hasrat.

Faqat sen, sen, sen.

Men orzu qilgan baht sen.

Men izlagan, doim tilagan,

Muhabbat - sen, senâ€¦

(faqat senâ€¦)

Armon bo'lmagin deya, so'radim seni hayotimdan.
Menga dunyo, sensan tanxo, sen - tanamdagi jon.
Har bir so'zing, nigohing, senga zor yuragimga mador.
Dil intizor, sen deb bedor, to abad, senga vafodor.

Sen, sen, sen.

Faqat sen, sen.

Men izlagan muhabbat,
Qalbidagi shirin hasrat.

Faqat sen, sen, sen.

Men orzu qilgan baht sen.

Men izlagan, doim tilagan,

Muhabbat - sen, senâ€¦

(faqat senâ€¦) [bis]
