Kozim ochiladi erta sahardan,
Bu tong yorug kechadan.
Chunki seni koraman degan,
Armonda uygonganman.

Bosaman qadamimni bir maqsadda, seni oylab Hayolim,
Oradan necha yillar otti ravona soginganman.

Keragimsan mening, Muhabbatim,
Keragimsan mening, Muhabbatim,
Keragimsan mening, Muhabbatim,
Keragimsan mening, Muhabbatim.

Yana gulladi bu qalbim gulzori, unutmagan bolsang bas
KEIGin jonim bu alam tilla toglari kerak emas
Bosaman qadamimni bir maqsadda seni oylab Hayolim.
Oradan necha yillar otti ravona soginganman

Keragimsan mening, Muhabbatim,
Keragimsan mening, Muhabbatim,
Keragimsan mening, Muhabbatim,
Keragimsan mening, Muhabbatim.

Jonim sensiz hayotimni tassavur eta olmadim,
Sen bilan hamisha, GozalmaN har dam.
Yuragimda yonayotgan olovlarim bolgin,
Sen bilan hamisha OZoD qalbim.

Keragimsan mening, Muhabbatim,
Keragimsan mening, Muhabbatim,
Keragimsan mening, Muhabbatim,
Keragimsan mening, Muhabbatim.
