Yaqinda uzoqda nafasim sen bilan hayotda  
Orzularim ruyo  
Parvona zamon guyo  
Yuragim shoshilib uradi sevinshdan talpinib  
Hazon bog'larimda muhabbat nihol solfi Naqorat:  
Baht sevgi dilda ko'zlaringga qarayman  
Sehirli tushday sen sevasan  
Baht sevgi dilda sen ila jonim yashayman  
Yoki uyquda men bahtliman Azizim taqdirim  
Sen ila ekan umir karvonim  
Unutgin yuragim barcha qayg'u alamin  
Yuragim shoshilib uradi sevinchdan talpinib  
Ammo nega jonim kunlar sungga aylandi Naqorat 2x
