Naqorat

To'kilib, to'kilib, to'kilib
Qo'llaringga shabnam misol,
Yuragimda tinmay jo'sh urib
Borar sevgim har on.
To'kilib, to'kilib, to'kilib
Yo'llaringga yomg'ir misol,
Sen ham borligingdan
Urib turar dilim har on.

Sen, sen,
Yuragimda borimni
Nega seza olmaysan?
Yashiringan, bil-da, muhabbatim,
Lekin bila olmaysan.
Sekin, sekin,
O'tli qarashing yuragim o'ldirar sekin.
Yuraging o'zim bo'lay,
Men sening yolg'izing o'zim bo'lay!

Naqorat

Sen, sen,
Tunlari quyoshim bo'lib
Meni uyg'otasan,
Erkalab, yuzimga nuring sochib,
Ko'zlarimda yonasan!
Sekin, sekin
Mayin shamol bo'lib,
Sochlarim silab sekin...
Yuraging o'zim bo'lay,
Men sening yolg'izing o'zim bo'lay!
