-:verse 1:-

Uch balodan saqlasin
Charxi-balokash bo'lmasin
Do'st mehirsiz dardsiz ulfat
Yor jafokash bo'lmasin
Dil agak payvand erursa
Ne jafu chekmak biroq
Hech ko'ngil sevgan ko'ngil
Yonida yakkash bo'lmasin

Hoooooo-hooooooo-hooooooo

-:verse 2:-

Neki dard bor, neki kulfat
Bu jahonning kunjida
Men bo'lay yuz ming giriftor
Lek maxfa'ash bo'lmasin
Men yonib qalbimni tutdim
Senga kaft uzra qo'yib
Ol uni o'ynat va lekin
O'tga tashlash bo'lmasin

Hoooooo-hooooooo-hooooooo
