Inson yaraldi -
O'z tar yillar to'htamaydi,
Dunyoda hech kimsa taqdirini bilmaydi,
Esga kirgandan beri insonning qalbida orzu...

Bilsang, hayot, bag'ringda senga termulib,
Inson qo'ldan kelgancha yashaydi intilib,
Unutma, hayot, iltijo sendan -
Inson umidvor...

Naqorat
Umidvor, umidvor, umidvor...
Umidvor, har yurak umidvor...

Hayot, bir umrga kelib tursin rahming,
Shamolday esib, o'tmasin bergan bahting,
Yomg'irday yog'ilib tursin intizorlaring...

Hayot, o'chir insondan armon ulfatini,
Bergin bedor tunlarining mukofotini,
Hayot, qo'lingga ol insonni,
Qilma intizor...

Naqorat
Umidvor, umidvor, umidvor...
Umidvor, har yurak umidvor...
Hayot, sinovingdan dodlab yurak, nihol,
Yopilmasin ko'zlari umidvor...
Umidvor, umidvor, umidvor...
