Always there to gloat  
Revel in your failure  
Echo in your head  
A familiar voice

I am the clown in the mirror  
The part of you, you hate  
Never far away  
Just there beneath the skin

You sold your soul to me  
A long, long time ago  
Your lonely insecurity  
Made me your master

I am the clown in the mirror  
The part of you, you hate  
Never far away  
Just there beneath the skin

I am the clown in the mirror  
The part of you, you hate  
Never far away

I am the clown in the mirror  
The part of you, you hate  
Never far away  
Just there beneath the skin
