working my fingers  
to the bone  
too old to run  
too young to die  
a lot of fire  
upon my soul  
suffer from hell

(chorus)  
I don't know  
where I'm going anymore  
this ain't living  
just dying every day

at the end of the day  
I'm all alone  
not falling anymore  
put my life in my own  
a lot of fire  
upon my soul  
suffer from hell

(chorus)  
I don't know  
where I'm going anymore  
this ain't living  
just dying every day

I don't know  
where I'm going.. anymore  
this ain't living  
just dying.. every day  
dying every day  
dying every day
