Looking up from an icy spot  
Praying for the rebirth of the sun  
If everything would explode  
Would you breathe in or out?

Bring me a dog or a loaded gun  
I'm fed up with all the people around  
Most of them are to me  
Like crisp breadcrumbs in my bed

And all I can say to you  
Is to fly with the riddle to touch the moon  
All I can say to you is try

Passive thinking, stuck in the game  
Souls hide in infected cells  
If everything would explode  
Would they breathe in or out?

Stranded, deep in civilization  
People I thought were like myself  
Have turned into what we all once said  
We hated so much

And all I can say to you  
Is to fly with the riddle to touch the moon  
All I can say to you is try

Looking up from an icy spot  
Praying for the rebirth of the sun  
If everything would explode  
Would you breathe in or out?

Bring me a dog or a loaded gun  
I'm fed up with all the people around  
Most of them are to me  
Like crisp breadcrumbs in my bed

And all I can say to you  
Is to fly with the riddle to touch the moon  
All I can say to you is try
