Confused, condemned, detained.
Interred, entombed, restrained.
Contract, collapse, divide.
Expand, explode, collide.

I brought this
all on myself.
It brings me.

Back down to this place
again for the last time.
I can't survive this again.

Contract, collapse, divide.
Expand, explode, collide.

I brought this
all on myself.
It brings me.

(3x)
Back down to this place
again for the last time.
I cant survive this again.
