"Happy Home"

Pull me out my bed
in the earliest mornin'
Where you've been
I'm in trouble for somethin'

Whoa... I don't wanna be here
That's why I'm actin' out
I wanna flee but I don't know how

Is this a happy home?
Is this a happy home?

I ain't gonna cut my hair
Even if you say
I know it's growin' long
But I like it that way

Everybody in fancy clothes
Everybody in fancy clothes
But nobody really glows
Everybody wear what family chose

Ohh...

When you take out the trash
Must've taken out your heart
I know I don't move very fast
But I'm headin' for the stars
I don't just waste away my day
Please don't tell me
I'm goin' nowhere

Is this a happy home?
Is this a happy home?

Ohh...

Everybody in fancy clothes
Everybody in fancy clothes
But nobody really glows
Everybody wear what family chose

Ohh...
