My heart's on fire  
You like me off and I can't go down  
Your love is wild  
You're dangerous, you're dangerous

My heart's on fire  
You like me off and I can't go down  
Your love is wild  
You're dangerous, you're dangerous

Remember when you kissed me by the sea  
You were saying all the things  
that I'd like to believe  
That you could give me all your love  
You could give me just enough  
And we could live in paradise  
and never have to leave

But is it true?  
Whenever I look around  
I can always find you  
I'm aside in the mornin'  
and I, and I can't get it all the time

My heart's on fire  
You like me off and I can't go down  
Your love is wild  
You're dangerous, you're dangerous

I'd never knew a love like this  
I'd never knew a love like this  
Is it too good to be true? Ah, ah...  
Am I dreamin' or is this love real? Ah, ah...

I like your style  
I like your smile  
Everything about you  
When you're on time  
I let you take me for a ride  
We can go anywhere you want to

My heart's on fire (Ah, ah...)  
You like me off and I can't go down  
Your love is wild (Ah, ah...)  
You're dangerous, you're dangerous

Your style  
I like your smile  
Everything about you  
When you're on time  
I let you take me for a ride  
We can go anywhere you want to

I'd never knew a love like this  
I'd never knew a love like this

I'd never knew a love like this  
I'd never knew a love like this

I'd never knew a love like this

Oh...
