What did I tell ya 'bout
Leaving me letters on the door when I'm not home
I don't love ya
And you don't make it much better when you actin' like
a child

What is this Valentine's day?
I don't think so
Just a kiss that's all you askin' but I don't want to

Look at the lover he puts the shine in the sun
I've got a lover he puts the shine in the sun

When I'm on a walk, strollin' through the park
I don't wanna see your face
If you catch me at the bar with my man after dark
I'll turn the other way

Goodbye old memory I'm moving off your road
Goodbye old memory, I'm moving on for sure

I've got a lover, he puts the shine in the sun
I've got a lover, he puts the shine in the sun
I've got a lover, he puts the shine in the sun
I've got a lover, he puts the shine in the sun

You said that you can't take it the way your hearts been
breakin'
I felt just how you feel
But now I have forgotten you took my heart and lost it
And suddenly it's beating once again

Goodbye old memory, I'm moving off your road
Goodbye old memory, I'm moving on for sure

I've got a lover, he puts the shine in the sun
I've got a lover, he puts the shine in the sun
I've got a lover, he pus the shine in the sun
I've got a lover, he puts the shineeeee in the sun
