Baby I'm just a fool, tearing all my heart out just for you  
It gets so hard to do, I'm cold and cored and  
frightened just like you  
Oh hey, my mama said "Now, come on let's head it out  
of here"  
Heaven, it ain't easy, you know I got the scars to say I'  
m here

So easy to hold your hand, so hard to let it show  
You're so fucking self-assured, I'd rather let you down  
than let you go  
There ain't nowhere you have been that I need to go  
There ain't nothing you can learn that I need to know

Baby I'm just a man, but I've got the dreams of gods  
and kings  
Well I can't hold my thoughts, my mind is full of a  
thousand different things  
I get some blood inside and I can't even see the stuff,  
it's clear  
Hell, it should be easy but I've got the heart of men of  
fear

So easy to hold your hand, so hard to let it go  
So fucking weird inside, I'd rather let you down than let  
you go  
There ain't nothing that you can teach me that I need to  
know  
There ain't nothing you can give me that I need to own

Baby I'm just a fool, tearing all my heart out just for you  
It gets so hard to do, I'm cold and cored and  
frightened just like you  
Oh hey, my mama said "Now, come on let's head it out  
of here"  
Heaven, it ain't easy, you know I got the scars to say  
I'm here

So easy to hold your hand, so hard to let it show  
You're so fucking self-assured, I'd rather let you down  
than let you go

There ain't nowhere you have been that I need to go  
There ain't nothing you can learn that I need to know
