Gonna take more than I can borrow.  
When I get there, won't look back.  
Got more riches any man can hold.  
Ain't gonna make for what I lack.

Used to care but I took care of that.  
Used to slow but now I'm lightning.  
Got a car all blue and red and white.  
Gonna roll it where I like it.

Gonna shoot you while you're layin' down.  
I lost all of my direction.  
Gonna shoot you while your layin' still.  
I used up all my affection.

Gonna take more, I don't borrow.  
One more hit and I'll get high.  
Get more twisted every road I take.  
Ain't gonna stop until I die.

I used to love but I got love for that.  
Used to know but now I'm blinded.  
Got a child all full and fed and fat.  
Gonna take him where I like it.

Gonna shoot you while you're layin' down.  
I lost all of my direction.  
Gonna shoot your while you're layin' still.  
I used up all my affection.

Gonna take more than I can borrow.  
When I get there, won't look back.  
Got more riches any man can hold.  
Ain't gonna make for what I lack.

Used to care but I took care of that.  
Used to slow but now I'm lightning.  
Got a car all blue and red and white.  
Gonna roll it where I like it.

Gonna shoot you while you're layin' down.

I lost all of my direction.  
Gonna shoot you while you're layin' still.  
I used up all my affection.

Gonna shoot you while you're layin' down.  
I lost all of my devotion.  
Gonna shoot you while you're layin' still.  
I lost all of my emotion.

Get what you deserve.  
Get what you deserve.
